School Buildings, December 31, 1957

Administration Building	1
Senior High School Buildings	3*
Junior High School Buildings	4§
Elementary School Buildings	24†
Total	32

*There are three senior high schools; the Classical High School has an Annex (a separate building) which also houses the Cobbet Elementary grade classes; the Trade High School is housed in the Cobbet Junior High School.

§The Breed Junior High School also houses an elementary school.

§The Cobbet Junior High School building also houses the Trade High School.

†The Breed Elementary School is housed in the junior high school building.

†The Aldworth, Bacheller and Euclid Avenue Schools are closed but retained in case of future need.

†The Bruce School is used for storage.

†Part of the old Ingalls School is being used in conjunction with the new Ingalls School.

School Buildings, December 31, 1959

Administration Building	1
Senior High School Buildings	3*
Junior High School Buildings	4†
Elementary School Buildings	22§
Total	30

*There are three senior high schools; the Classical High School has an Annex (a separate building) which also houses the Cobbet Elementary grade classes; the Trade High School is housed in the Cobbet Junior High School.

†The Breed Junior High School also houses an elementary school.

†The Cobbet Junior High School building also houses the Trade High School.

§The Breed Elementary School is housed in the junior high school building.

§The Euclid Avenue School is closed but retained in case of future need.

§Part of the old Ingalls School is being used in conjunction with the new Ingalls School.

School Buildings, December 31, 1960

Administration Building	1
Senior High School Buildings	3*
Junior High School Buildings	4†
Elementary School Buildings	22§
Total	30

*There are three senior high schools; the Classical High School has an Annex (a separate building) which also houses the Cobbet Elementary grade classes; the Trade High School is housed in the Cobbet Junior High School.

†The Breed Junior High School also houses an elementary school.

†The Cobbet Junior High School building also houses the Trade High School.

§The Breed Elementary School is housed in the junior high school building.

§The Euclid Avenue School is closed but retained in case of future need; it is used for storage.

§Part of the old Ingalls School is being used in conjunction with the new Ingalls School.
